

## June 20th - 23rd 2018 Sculpture Workshop Study of the Portrait

### Supplies

Because of the intensity of these 4 days you will each be using the same clay and armature which is included in the cost of the workshop. I will also have the armatures made specifically for this class. ( We will review the process of making an armature the first day of class so that you will be able to build an armature with confidence and ease in the future).

1. Flat 12" wooden ruler
2. 6" half round protractor
3. A few cotton Rags
4. 1" Putty knife
5. 8 " Caliper
6. Sculpting tools ( I have also studio tools for use )
7. 6" Needle nose pliers
8. 2 or 3 Plastic bags at least 20 " tall
9. Masking Tape
